

# ELMER AT THE ELEPHANT

## About

To celebrate Elmer the Elephant's 30th birthday during 2019, Lendlease joined forces with event company Wild in Art, publishers Andersen Press, some very talented artists and local community groups to create Elmer at the Elephant.

David McKee's beloved children's character at Elephant Park is a special trail of community-designed sculptures that celebrate diversity and inclusivity. Explore the streets and green spaces to find the 10 Elmer statues designed in collaboration with the local community groups in Elephant & Castle.

## Wild in Art

Wild in Art produce spectacular public art events that entertain, enrich, inform and leave a lasting legacy. Their art trails bring together businesses and creative sectors with schools and local communities through the creation of uniquely painted sculptures.
